WORK EXPERIENCE

Web Development Intern │ Center for Sustainable Development   February 2025 - April 2025

- Collaborated in a team of three to revamp and rebuild the official CSD website — replacing the legacy SiteOrigin setup with a modern WordPress build.
- Created and translated Figma designs into functional web pages aligned with brand guidelines.
- Coordinated with staff, ICT, and PR departments to gather content, refine requirements, and ensure the site met functional and visual expectations.
- Simplified content updates by implementing user-friendly backend features for non-technical staff.

PROJECTS

Official CSD Website │ **LINK**   2025

- Designed and developed key pages based on Figma prototypes using Elementor Free with custom HTML, CSS, JavaScript, and PHP to extend functionality beyond built-in features.
- Led the creation of reusable and maintainable layout templates, which reduced development time by approximately 30% based on internal sprint velocity and reduced rework during revisions.
- Implemented a custom post system for publishing articles and announcements, and integrated Advanced Custom Fields (ACF) to structure dynamic content—enabling staff without WordPress experience to manage and update content easily.
- Optimized the site for responsiveness, accessibility, and cross-browser performance.

Top Drive Management Information System with Descriptive Analytics │ **LINK**   2025

- Co-developed a full-stack web application for a driving school's scheduling, resource management, and performance tracking.
- Designed responsive and tailored UIs for admins, staff, and students using React and Bootstrap.
- Built smart dropdowns with Django REST and PostgreSQL for conflict-aware resource assignment.
- Integrated interactive dashboards using Recharts to automate report generation.

CERTIFICATIONS

SEO Certified │ **HubSpot Academy** | **LINK**   2025

- Developed a deep understanding of on-page SEO, site structure, and performance optimization.

AWS Academy Graduate │ **Amazon Web Services** │ **LINK**   2025

- Completed courses on AWS Academy Cloud Foundations and AWS Cloud Architecting focused on AWS services, cloud design principles, and architecture best practices.

Responsive Web Design │ **freeCodeCamp** │ │ **LINK**   2025

- Certified in creating responsive, accessible websites following web standards and best practices.
